Attn: Dominick Giordano and Anthony Fiore
P.O. Box 621
Scotch Plains, NJ 07076

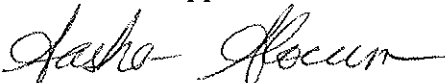

Dear Mr. Giordano, Mr. Fiore and Members of the EEF:

On behalf of William J. McGinn School, I would like to thank you for your generous gift of fifty books to honor McGinn's 50th school year! This gift is a perfect way to celebrate 50 years of education that our school has had the privilege of providing for Scotch Plains and Fanwood children. Reading is the cornerstone of all learning, and you have selected works that will inspire thinking across our grade levels.

Mr. Giordano and Mr. Fiore, you made the presentation of this gift especially memorable by presenting it both to families at our 50th Anniversary Gala and to all McGinn students at our morning meeting. Thank you for taking the time to share this happy occasion with the entire McGinn community!

The Educational Enrichment Foundation is emblematic of the supportive, creative and inventive nature of our school communities in Scotch Plains-Fanwood. McGinn School is honored and humbled to be a recipient of 50 books for 50 years! Thank you again for your donation to continue our educational legacy.

With Warm Appreciation,

Sasha Slocum
